Will Clear Off Houses - H. C. Gauck Is Wrecking Two More Buildings on School Site

J-World - Oct. 12, 1934 - <http://news.google.com/newspapers?id=nX5YAAAAIBAJ&sjid=tUMNAAAAIBAJ&pg=6185%2C504687>

H. C. Gauck has purchased two houses on the New York school site and will wreck them for salvage. One is located at **901 New Jersey and one at 901 1/2 New Jersey**. Gauck also has a contract to build a milk house and remodel a dairy barn at the Seymour Gentry farm.

At the time the building (N.Y. School in 1934) was erected, about half a block was added to it the playground, making its situation quite ideal in this respect.
