Re: Support for a Downtown Grocery Store

It has been a while since the East Lawrence Neighborhood Association has weighed in on the fine work that you have been doing to try and bring a grocery store to downtown Lawrence. We are in unanimous support of getting a downtown grocer, as a store in close proximity to our neighborhood will be very beneficial to us. Please keep us apprised of progress you are making and advise us as to how we can help to bring this to fruition.

Keep up the good work!

Thanks for the opportunity to provide input,

Aaron Paden
