To the Kansas Historical Society,

Our Neighbors at the St. Luke's AME Church are applying for a Douglas County Heritage Conservation Council Grant. The East Lawrence Neighborhood Association supports their effort to attain this grant. This grant will assist with physical improvements to the building that will include the beautiful stained glass windows and exterior walls of the Church.

St. Luke's has been an anchor to the neighborhood for over 100 years, and has been recognized for that by its placement on the National Registry of Historic Places in 2005. We believe they will be worthy stewards of this grant and are working with local Preservationists to ensure that.

Please give this Grant request your careful consideration and approval.

Respectfully yours,

Phil Collison

President, for the Board of the East Lawrence Neighborhood Association
